

## Choreography

You are going to choreograph your own dance routine based on one of the four elements: Earth, Water, Air and Fire.

The music for each of the elements are as follows:

- Earth: Igor Stravinsky's *The Rite of Spring: The Adoration of the Earth: Introduction*
- Water: Camille Saint-Saëns's *Aquarium*
- Air: Claude Debussy's *Syrinx*
- Fire: Manuel de Falla's *Ritual Fire Dance*

*If you have brothers and sisters, you can work on this together. Or you could work on it with your friends. Get your parents to record your routine and then share your work with one another.*
