Massed video crib sheet

After our exciting final performance with James Redwood on Friday 26 June we are looking to release a montage video of everyone singing and signing Haul Away and Out in the Blue on our website and social media to share across the region on **Friday 10 July**. Therefore we are inviting you to send us **footage of yourselves joining in with the video released at 11am on Friday 26 June**.

What you will need to join in:

1. Something to play the video of James on (a computer, tablet or iPad etc.)
2. Something to record a video of yourself performing (both picture and audio.) This could be a smart phone, an iPad or a video camera.
3. Rehearse: We all want to participate in a fantastic performance so it is integral that we all rehearse to perform our best!

Recording Advice:

1. Use a phone/tablet to create the video.
2. Get a parent/teacher to record your performance OR secure your phone/device to a stand so that you can easily access it to turn on / off ... and it won't move whilst you are performing.
3. Film in landscape
4. Adjust the volume of James's video so you can comfortably hear it when you are singing but not that it's so loud we can pick it up on the recording and we can hear you instead!
5. Get yourself ready to perform by warming up along with James
6. If you've made any concert decorations please do dress up your recording, i.e. with bunting, paper audience, wearing something that makes you feel special!
7. Warn others in your household/school that you will be recording – this should help avoid disruptions.
8. For those doing this in school, please do make sure you are social distancing or following your own individual school's policy as this will be available publicly.
9. Have fun! We want to see you smiling, laughing and having a great time!

Submission Details:

- You can do as many recordings as you like and send the best one/or as many as you like to us.
- The deadline for sending in your videos is **Sunday 5th July at 17:00** to **Jess Craig** at this email address: schools@bsorchestra.co.uk
- You sending this video to us will act as your permission for us to use your child's/the children in your class image on our online video. If you would like us to include name, town/county or school name please include in your email and we will put it in the video. Especially for schools we would be delighted to share your school name!

We very much look forward to seeing your fantastic work! If you have any questions, please don't hesitate to get in touch.
