

## Describing the American Landscape

Still's Orchestral Suite 'Wood Notes' was inspired by his love of nature and the American landscape. You are going to write a description of each of the landscape pictures below.

You must use and include the following in your descriptions and can tick them off as you go.

Task	Complete
Use a Dictionary	
Use a Thesaurus	
Use a Simile	
Use Alliteration	
Use Onomatopoeia	
Use a Metaphor	
Use Personification	

If you don't know what some of them mean ask for help or look them up in a dictionary.
